This year's Charity Fundraiser will benefit the Orange County Food Bank, Farm to Family program, of the Community Action Partnership of Orange County. Currently, thousands of families in Orange County are having difficulty providing food for their families and food banks are struggling to find new sources of food to replace lost donations. One answer to this shortfall is in our own backyard. With more than half of the nation's fruits and vegetables grown in California, there are certain times of the year when surplus and blemished product are disposed of. This program is designed to connect our California growers and packers with our state's food bank networks to minimize wasted product and provide low income families with fresh fruits and produce.

What makes this event a great success is the generosity of businesses and individuals who contribute items and/or dollars for our silent auction or raffle. Donations in any amount are appreciated. Each company or individual which donates \$1,000.00 in cash or merchandise for this program will receive special recognition the night of the event and identified in the evenings event program. In addition to the items for the silent auction and raffle, sponsorship of entertainment, wine, and printing is another unique way you can help this event be memorable and successful.

Please let us know what you will be donating. All donations must be received by Monday, December 1.

Please contact Melanie Froysaa, (949) 500-0903, or Ana Ascencio, (562) 483-7454, for additional information, to arrange for pick up, or shipping information. You may also contact us by E-mail at WITOC@att.net. Thank you for working with us and making the December Charity Fundraiser a success.

Please pick up the phone today and call us to discuss how you can make a difference through a donation of service, product or cash. All inquiries are welcome!

Your generosity is greatly appreciated!!

Best Regards,
Ana Ascencio
